Subject: Today, It is the Mosaic. Tomorrow, it is your neighborhood.
Date: Tuesday, July 14, 2015 6:51:37 PM

The Mosaic Church, located on the northwest corner of Hollywood and La Brea, is targeted for a 26 story high rise which will result in even worse traffic for this already F rated intersection.

Tomorrow, real estate speculators will target your neighborhood asking for a zoning change.

Send a message to Eric Garcetti, Mitch O'Farrell, PLUM Chairman Jose Huizar, and the rest of the Herb Wesson led City Council that our neighborhoods and our quality of life are more important than campaign contributions from real estate speculators.

Dominoes: Why What LA's Cultural Heritage Commission Does on Thursday Could Change Your Life!

14 Jul 2015

Written by John Campbell

CALL FOR ACTION-Development in Hollywood is out of control. That's what inspired the birth of **Save Residential Hollywood** ...a non-profit corporation whose mission is to preserve the quality of life in Hollywood by opposing proposed developments that require zoning changes or variances and saving structures of historic significance. And, it's work will never be more important than it is right now. Here's why.

On Thursday, July 16th we are presenting the Mosaic Church, at the corner of Hollywood Blvd. and La Brea, to the Los Angeles City Cultural Heritage Commission for designation as a City of Los Angeles Cultural Historical Monument.....
